

Michigan Nursery and Landscape Association and Michigan Green Industry Association's

Join Us at the Capitol for 2010 Green Industry Legislative Day! March 24, 2010 - Lansing, Michigan

Register NOW to join MNLA and MGIA for a morning of grassroots involvement that is critical for the defense of your interests at the State Capitol!

This intense morning "blitz" of the nursery, landscape, retail, arborist, and turf industries into the State legislative arena will begin with an informational session providing all attendees with background information and protocol on the legislative system and issues that we are presently working on. From there, the movers, shakers, and VOTERS of the green industry will systematically visit with each office of the State Legislature to increase awareness of the industry and the issues that we are faced with.
