

Pruning: The Art, Science and Practice

Taught by: Dr. Robert Schutzki, Michigan State University

This one-day workshop includes classroom instruction and a hands-on laboratory. Topics include: foundations in plant science & techniques that guide pruning practice aesthetically and scientifically. The outdoor laboratory will offer a diverse group of plants to improve your pruning skills.

- April 8, 2011 9:00am - 4:00pm
First Congregational Church - Traverse City, MI
