

Landscape Health Care - *Identify, Prevent, Treat*

Taught by: M. David Sutton, ISA Board Certified Master Arborist, Tri City Tree Doctor/
United Tree Service

Preventive medicine is not just for people - your clients' landscapes can benefit from your ability to identify common landscape pests and diseases. At this workshop you'll also learn landscape planning strategies to avoid commonly seen pest, disease and abiotic disorders and environmentally friendly management techniques of common landscape pests and diseases, followed by Q & A. ISA Recertification Credits have been applied for. 4 MDA Pesticide Recertification Credits in Private or Commercial Core, 3A, 3B, or 6 have been approved.

- March 23, 2011 1:00pm - 5:00pm
In Partnership with SVNLA
Bay Landscaping - Essexville, MI
