To MNLA Landscape Members:

The Governor is scheduled to extend our to stay at home order TODAY. We must act NOW to ask our lawmakers and Governor Whitmer to recognize the updated Federal CISA Guidelines that include Landscapers as a critical infrastructure workforce in her extension of the stay at home Executive Order.

The National Association of Landscape Professionals (thank you NALP!) has provided an easy-to-navigate tool. Click [HERE](#) to go to this tool. Our message is preloaded. All you have to do is fill in your information and hit the "Send Email" button and the letter is automatically sent to your lawmakers and the Governor. Everyone in your company should do this—you and your entire team!!!

Contact Amy Upton at [amy@mnla.org](mailto:amy@mnla.org) should you have any questions. Let's get this done!
